Eligibility Criteria suggested

1. **Open to B.Tech students from all streams currently enrolled in year 4.**

2. **Student should not be receiving any scholarships from NITK, State and Central Govt, Alumni Office and any other Philanthropic organisations.**

3. **60% weightage for academics and 30 % for Extracurricular activities (Multiple activities will not be mutually exclusive but additive. Eg. If a student has represented college in sports, debate and presented a paper , he or she will be eligible for adding scores in each activity subject a maximum of 30%) (Please refer to evaluation Forms)**

4. **10% weighting - Letter of recommendation from HoD for being an outstanding student, either in a subject, stream or character. To be received in a sealed envelope to be opened by evaluators. HoD is free to assign a score between 0 and 10**

It is our intention to distribute the awards to five different streams of Rs 26000 each, with no particular stream preference. Excellence criteria will be paramount.

Students to prepare 1 additional page with the information with how you comply to the criteria above with copies of evidence apart from filling the evaluation form properly. (In case of doubt, you can contact I.C.Rao VP and Gen Secretary of NITKSAA (Ph:7829011977) by sms or whatsapp or by email: innachandra@gmail.com.

Required info:

Student name, Stream and NITK ID card Proof

Email and contact number:

The alumni committee (Dean _Alumni and External Affairs, NITKSAA President, NITKSAA Secretary, 1 x 1991 batch) will decide and the result, including student one page submission, will be published with the awards. The committee may elect to verify credentials and, if necessary, scale the criteria to judge the awardees in an objective manner. The committee's award is final.

Last date for student submission: January 28, 2018

Award date: Expected to be in 3rd week of February 2018 or during the closest NITK public event thereafter.
