Learning Paradigm

February 09-13, 2018

Organized By:

Department of Mechanical

&

Civil Engineering,
Government Engineering College
Jhalawar (Rajasthan)

About The College

The Government Engineering College Jhalawar (GECJ), Rajasthan is established in the year 2007 by the Govt. of Rajasthan to enhance the Technical Education in the state. This College is affiliated to the Rajasthan Technical University (RTU), Kota and the B. Tech. Programs are duly approved by AICTE New-Delhi. At Present GECJ offers 6 B. Tech. Programs and 3 Professional Courses. The college is located on the Sunel Road about 10 KM from Jhalawar Railway Station and 12 KM from Jhalawar city and Bus Stand.

About The Course

Five Day faculty development programme on “Innovative Techniques in Teaching Learning Paradigm” is scheduled during February 09-13, 2018. The objective of this programme is to broaden and enhance the faculty academic capabilities by exposing them with appropriate skills pertaining to teaching-learning process. Further, it aims at strengthening functional area of expertise and also focuses on enhancing abilities to conduct research on topics of utmost relevance.

Focused pool of participants

This programme is interdisciplinary and intended for current, prospective faculty members and researchers of various Institutes, university departments, degree colleges and other professional/ staff training Institutes.

Registration

Since the seats for prospect participants are limited. The selection will be made on a first come, first serve basis and intimation will be sent to the candidates by email in due course of time. Certificates will be issued to the participants in compliance with their participation in all sessions of this workshop.

The participants should send the application (Hard and Scan, Copy) in the specified format (enclosed here) to reach the Coordinators via post or e-mail latest by 5th Feb, 2018.

Registration Fees

The one time registration fee of Rs. 2500/- is to be paid by each participant attending this course, however, prior registration by participants, and confirmation from the organizers is mandatory. The fee covers the participation in the programme,

registration material, boarding (breakfast /lunch) on all the days of workshop. The fee Should be deposited by DD in favour of ‘ Principal, Govt. Engineering College Jhalawar’ payable at Jhalawar.

Accommodation

Participants are requested to make their own arrangements for stay during the workshop. However, suggestions for suitable accommodation near to the college could be made on request.

Experts

Eminent experts who have agreed to take part in this pedagogy workshop belong to the esteemed Institutions of India such as IISc, IITs, NITs and other well known institutions.
