STAGE (15)

STAGE AUDITIONS

The students were given monologues to perform in both English and Hindi in the first round. People who had the ability to express and respond to direction went to the next round. This way we shortlisted about 20 people out of 75 students who came for the auditions. The entire audition happened over 3 days. Post that, they were given a choice to audition for different characters from the play for the final casting. The final round was for 2 days. The criteria for selection were acting ability, ability to listen to direction, stage presence and voice. The following students were recruited.
